Video Workflow Map

"A Poor Girl Helped a Billionaire CEO Grandpa Walk Again"

1

~~Script~~

✓ DONE

~~Story written: the poor girl, the billionaire CEO grandpa, how she helps him walk again, and the ending.~~

▼

2

~~Characters~~

✓ DONE

~~Character designs finished: the girl, the grandpa, and the supporting cast (family, staff, doctors).~~

▼

3

Send to Mr. Chinedu for Approval

⏳ WAITING

Send the script and characters to Mr. Chinedu. Wait for approval or change requests before moving on.

▼

4

Visual Generation

TO DO

Generate the scene images for each part of the script, keeping each character's look the same in every scene.

▼

5

Image Animation

TO DO

Animate the images: movement, expressions, and the key moment when Grandpa stands and walks again.

▼

6

Editing

TO DO

Put the clips together with voiceover, music, sound effects, captions, transitions, thumbnail, then export and upload.

Crossed out = finished • Yellow = waiting on approval • Coloured = still to do
